Dr. Mayuri Odedra-Straub

Publications:

1. *Computers in Kenya*, MSc Thesis, June 1987
2. *Bibliography for Information Technology in Developing Countries*, Information Technology for Development, December 1988 issue
3. *Information Technology in Kenya and Indonesia: A Comparative Analysis*, S.C. Bhatnagar and N. Bjorn-Andersen (eds.), Information Systems in Developing Countries, North-Holland, December 1989
4. *Poor Management Leads to Gross Under-utilisation*, Computers in Africa, Vol.4, No.5, July 1990
5. *Information Technology Transfer to Developing Countries: Cases from Kenya, Zambia and Zimbabwe*, PhD thesis, London School of Economics, September 1990
6. *Information Technology in Developing Countries: An Annotated Bibliography*, Commonwealth Secretariat, November 1990
7. *Information Technology Transfer to Developing Countries: Is it really taking place?*, J. Berleur and J. Drumm (eds.), Information Technology Assessment, North-Holland, December, 1990
8. *Why Every African Country Needs an I.T. Policy*, PC World Africa, March 1991
9. Odedra, et al, *Government Initiatives in Information Technology Applications: A Commonwealth Perspective*, Information Technology Policies, Commonwealth Secretariat, April 1991
10. *Possibilities and Pit-falls of I.T.*, PC World Africa, August 1991
11. *Much More Than Human Resource Development for Africa*, S.C. Bhatnagar (ed.), Information Technology Manpower: Key Issues for Developing Countries, Tata McGraw-Hill, 1992
12. *Africa Ripe for Market Growth Despite Serious Obstacles*, International Computer Update Forecast, An IDG Communications publication, January 1992
13. *Technology Transfer: Who Knows it Best?*, PC World Africa, February 1992
14. *Training the Trainers*, PC World Africa, February 1992
15. *Do We Need Standards?*, PC World Africa, February 1992
16. *Asian OEMs Grow Bigger as PCs Get Even Smaller*, PC World Africa, February 1992
17. *Computer Viruses: Biggest Threat to Computers?*, PC World Africa, February 1992
18. *Choose the Right Applications*, PC World Africa, June 1992
19. *Computers in Africa: Social Issues*, PC World Africa, June 1992
20. *Development Deferred*, PC World Africa, June 1992
21. *Making Contact: Telecommunications in Africa*, PC World Africa, June 1992
22. *Poor Packages vs. Software Sanity*, PC World Africa, June 1992
23. *Against all Odds*, PC World Africa, June 1992
24. *African Development Through Information Technology?*, R. Aiken (ed.) Education and Society, Information Processing 92, Vol. II, North-Holland, September 1992
25. *Enforcement of Foreign Technology on Africa: Its Effect on Society and the Use of Information Technology*, African Technology Forum, August/September, Vol.5,

No.3, 1992

26. (ed.) *Social Implications of Computers in Developing Countries*, Tata-McGraw Hill, November 1992

27. *Is Information Technology Really Being Transferred to Developing Countries?*, G. Cyranek and S.C. Bhatnagar (eds.), Technology Transfer for Development: The Prospects and Limits of Information Technology, Tata McGraw-Hill, 1992

28. *Sub-Saharan Africa: A Technological Desert*, Communications of the ACM, February 1993, Vol.36, No. 2

29. *Critical Factors Affecting Success of CBIS: Cases from Africa*, Journal of Global Information Management, Vol.1, No.3, Summer 1993

30. *Computers in Africa*, IFIP Newsletter, September 1993, Vol.10, No. 3

31. *Afrique: Transfert des Technologies de L'Information: Quelques Observations*, terminal, Automne 1993, Nouvelle Serie No. 6, 1

32. *Enforcement of Foreign Technology on Africa: Its Effect on Society, Culture, and Utilisation of Information Technology*, C. Beardon and D. Whitehouse (eds.), Social Citizenship in the Information Age, Intellect Press, Cambridge, Autumn 1993

33. *Afrique: Transferts des Technologies de L'Information*, Le Courrier Informatique, 27 September - 3 October 1993, No. 77-5 DH

34. Odedra, et al, *Information Technology Policies and Applications in the Commonwealth Developing Countries*, Commonwealth Secretariat, London, 1993

35. *The Role of International Organisations in Technology Transfer: The African Experience*, Journal of the Third World Science, Technology and Development Forum, Vol. 12, 1994

36. *Myths and Illusions of Technology Transfer*, IFIP World Congress Proceedings, August 1994

37. (ed.) *Information Technology and Globalisation: Implications for Developing Countries*, Commonwealth Secretariat, London, 1995

38. *The Myth of the Global Village*, Odedra, et. al., Information Technology and Globalisation: Implications for Developing Countries, Commonwealth Secretariat, London,1995

39. *Contemporary Issues in Electronic Communications in Africa*, FID News Bulletin, July/August, 1995, Vol. 45

40. *Women and Information Technology in Sub-Saharan Africa: A Topic for Discussion?*, S. Mitter and S. Rowbotham (eds.), Women Encounter Technology, UN University/INTECH, 1995

41. (ed.) *Global Information Technology and Socio-Economic Development*, Ivy League Publishing, 1996

42. *A Way Forward: Report of the IFIP W.G. 9.4 Conference, 2002*, Electronic Journal of Information Systems in Developing Countries", Vol. 10, September 2002, http://new.ejisdc.org

43. *E-Commerce and Development: Whose Development?*, Electronic Journal of Information Systems in Developing Countries", Vol. 11, March 2003, http://new.ejisdc.org

44. *Experiences of being in transit and having to deal with different cultures*, (translated and published in Japanese), KSGG Newsletter, October 2006

45. *The Wandering Foreigner and a Conflict of Cultures*, F. Jarman (Ed.), Encountering the Others, Wildside Press, 2011
